##### **V. Committee Reports:**

**A. Fish Stocking and Habitat:**

Clyde Owens reported that the DNR will be stocking muskies in our lakes this year. There will be 14 released in Alma and 28 in Moon. Walleye and musky are stocked in alternate years.

**B. Water Quality/Level:**

Ken Beier reported that water levels continue to be high. Ken and Clyde Owens conducted the first test of water phosphorous level on May 10, three days after ice-out. Secchi disc readings varied from 12' to 15' on Moon and 9' to 10' on Alma. Specific information can be found on the website at [www.almamoonlake.org](http://www.almamoonlake.org) or google Wisconsin citizens lakes website to check water clarity information.

**C. Website:**

Commissioner Milt Klingsporn was not present and there was no report. Questions can be directed to Milt by email.

**D. Town of St. Germain (Tom Christensen)/Vilas County Committee (Ronald Kressin):**

Tom Christensen, Town Chairman, reported on Town of St. Germain activities. Ronald Kressin was absent. Mr. Christensen reported that the Lakes Committee led by Ted Ritter, a Town Supervisor, is working on lake water quality and aquatic invasive species issues. The town is applying for a DNR grant to install solar powered cameras at boat landings to take photographs and videos of boats entering the lakes. He also reported on the current status of the Old Red Schoolhouse and community center. New plans are being formulated to meet the needs of the community. Future road projects include work on Hug Road and South Bay Road. Chip sealing will continue. Ambulance service continues and is staffed by EMTs. The goal is to advance to paramedic level providers. Another goal is to reduce response time between receipt of a 911 call and having an ambulance and crew on scene. The Chamber of Commerce building is progressing. The Town owns the property and the Chamber is funding the building. Once complete, the building will be come property of the Town. Residents were encouraged to utilize the Town of St. Germain website.

**E. Report from WI Lakes Partnership Convention:**

? Tony and Ann Waisbrot and Dave Zielinski attended the 2018 meeting in Stevens Point. There are funds available for registration, banquet and lodging for those who wish to attend.

**F. Loon Ranger:**

Terri Beier continues to be our representative with the Loon Watch Program. This summer, there were two eggs on the nest and only one hatched. She reported that if residents would happen to encounter a wounded or ill loon, they should watch the loon for 1 hour, take a photo of the injury (if possible) and share the photo the rescue organization they contact, continue to monitor the bird until help arrives. Calls can be made to the DNR, or the local raptor rehabilitation center, "Wild Instincts."

**VI. New Business:**
